

# SPACE MEDICINE ASSOCIATION LUNCHEON

Thursday, May 14 • 11:30am – 1:30pm  
N. Hemisphere A3/A4, Walt Disney World Dolphin Hotel

Guest Speaker:  
**Story Musgrave, MD**

The SMA is pleased to host Dr. Story Musgrave as the featured speaker during the SMA luncheon. Dr. Musgrave became a US Astronaut in 1967. He was a NASA astronaut for over 30 years and flew on six spaceflights (STS-6, STS-51F, STS-33, STS-44, STS-61, and STS-80). Dr. Musgrave spent a total of 1,281 hours 59 minutes, 22 seconds in space. He performed the first shuttle spacewalk on Challenger's first flight, was a pilot on an astronomy mission, conducted two classified DOD missions, was the lead spacewalker on the Hubble Telescope repair mission, and on his last flight, he operated an electronic chip manufacturing satellite on Columbia.

He left NASA in August 1997 to pursue private interests.

# AsMA SPACE MEDICINE ASSOCIATION

## The Benefits of SMA Membership

- ▶ Promotes professional fellowship in Space Medicine
- ▶ Promotes Space Medicine continuing education through SMA-sponsored and SMA-endorsed sessions at the annual AsMA meeting
- ▶ Recognizes and encourages development of early career professionals through support of educational programs and annual presentation of the Young Investigator Award
- ▶ Encourages college/medical/resident/fellowship students with demonstrated academic achievement to pursue interests in Space Medicine by awarding the Jeffrey R. Davis Scholarship
- ▶ Encourages students with demonstrated academic achievement to pursue interests in Space Biology and Space Medical Operations by awarding the Wyle Scholarship
- ▶ Recognizes highly meritorious contributions in advancing research in the field of Space Medicine with the Jeffrey P. Sutton Scientific Achievement Award
- ▶ Recognizes first or primary authors of outstanding Space Medicine articles in the Aerospace Medicine and Human Performance journal with the Journal Publication Award
- ▶ Recognizes career excellence and outstanding contributions in advancing frontiers in Space Medicine with the Lifetime Achievement Award
- ▶ Promotes recognition of peers in Space Medicine and allied sciences through nominations for awards presented by AsMA
- ▶ Serves as a forum for international exchange on Space Medicine issues
- ▶ Serves as a resource and advocate for Space Medicine-related issues
- ▶ Provides support to nominations on Fellows to AsMA
- ▶ Provides access to the "Members Only" section of the SMA website, membership directory, Constitution, bylaws, space medicine bulletin board, committee meeting information and historical archives
- ▶ Must be an AsMA member to join SMA
